No. 1:21-cv-00482-KJM-EPG

ORDER

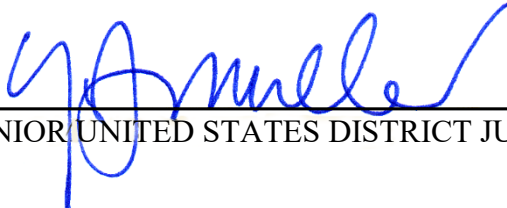

17 Having considered the joint status report at ECF No. 220 and the parties' statements at the  
18 status conference on October 23, 2025, the court orders as follows:

19 (1) Plaintiffs must file a further status report within two weeks of the joint status  
20 conference. The status report must state which motions or petitions, if any, plaintiffs intend to  
21 file in the United States Bankruptcy Court for the Southern District of Texas presiding over the  
22 case jointly administered under Case No. 24-90533, and when those motions will be filed. The  
23 status report also must state whether plaintiffs intend to further pursue any claims in this action  
24 against the defendant named as "California Forensic Medical Group, DBA Wellpath," naming the  
25 bankruptcy trust in a nominal capacity, and if so, with respect to which claims. Finally, the status  
26 report must state whether plaintiffs intend to pursue further any claims against defendants Krenz  
27 and Anderson in this action and if so, which claims.

(2) This matter is referred in part to a mandatory court-convened settlement conference before the assigned Magistrate Judge, Judge Erica P. Grosjean, on **November 17, 2025, at 1:00 p.m.** The settlement conference will relate only to the claims against the County of Tulare, Deputy Jajyo,<sup>1</sup> the City of Farmersville and Officer Carrillo. Given the current posture of the case, this order neither prohibits nor requires participation in the court-convened settlement conference by any party affiliated with the defendant named in this case as “California Forensic Medical Group, DBA Wellpath.” Counsel for plaintiffs and Tulare County, Jajyo, Farmersville and Carrillo are instructed to promptly contact the courtroom deputy for Judge Grosjean, Felicia Navarro, at fnavarro@caed.uscourts.gov or 559-499-5962, to ensure they comply with Judge Grosjean’s requirements with respect to the settlement conference she will convene.

IT IS SO ORDERED.

DATED: October 24, 2025.

<sup>1</sup> While at the status conference, plaintiffs’ counsel and counsel for the County of Tulare appeared to believe Deputy Jajyo is no longer a party in the case, the court’s review of the docket has not confirmed that belief. Rather, at this time, Deputy Jajyo remains identified as a defendant and therefore the court expects him to participate in the settlement conference unless he is formally dismissed before the settlement conference begins.
